SUMMARY

Final-year BCA Data Science student at SRM Institute of Science and Technology, KTR. Builds applied AI systems, from computer-vision detection pipelines to autonomous agents, with a strong grounding in cybersecurity fundamentals alongside ML. Learns by shipping every project and certificate listed below reflects something actually built or completed.

EXPERIENCE

Data Science & Machine Learning Intern

Sachitech, Nashik | Jun 2025 - Sep 2025

- Developed and deployed ML models that improved prediction accuracy by 25% on key business metrics
- Engineered data pipelines processing 2M+ records daily for real-time analytics
- Reduced model training time by 40% through algorithm optimization and parallel processing
- Automated data cleaning workflows, cutting manual effort by 60%

Internship — DS/ML

Sachitech, Nashik (via ITT Council, Delhi) | Sep 2025

- Completed 3-month certified internship program with 97% marks, Grade A+

EDUCATION

BCA — Data Science

SRM Institute of Science and Technology, KTR (Main Campus) | 2024 - 2027 | Final Year

Advanced programming, database management, cybersecurity and software development, applied in capstone projects.

PROJECTS

AI Border Intelligence — Change-Detection Monitor

Python, Streamlit, YOLOv8 (Ultralytics), OpenCV, Pillow, Pandas, Folium, Geopy, SQLite, NumPy

A real-time object and change-detection system for geospatial surveillance. Runs YOLOv8 inference on images and video, logs every detection to a local database, and plots detections live on an interactive map.

- Image and video object detection using YOLOv8n
- Automated change-detection monitoring between frames
- Live interactive map integration (Folium + Geopy/Nominatim)
- Persistent detection history stored in SQLite
- Full Streamlit web interface, no install needed to try it

SKILLS

Core / AI-ML	Python, Machine Learning, Deep Learning, NLP, AI Agents, Computer Vision (YOLOv8)
Security	Cybersecurity, IAM Fundamentals, Network Security
Data	SQL, Pandas, NumPy, Data Cleaning & EDA, Matplotlib, SQLite
Tools	Streamlit, OpenCV, Git & GitHub, AWS Cloud Basics, Folium, Geopy, PIL/Pillow

CERTIFICATIONS

System and Network Security - IBM SkillsBuild (Jul 2026)	AWS Cloud Practitioner Essentials - AWS Training & Certification (Jul 2026)
Python - Kaggle (Jul 2026)	Shields Up: Cybersecurity Job Simulation - AIG, via Forage (Jun 2026)
Cybersecurity Job Simulation - Mastercard, via Forage (Jun 2026)	Cybersecurity Analyst Job Simulation - Tata, via Forage (Jun 2026)
Data Science Essentials with Python - Cisco Networking Academy (Jun 2026)	DS/ML, 97%, Grade A+ - ITT Council, Delhi (Sep 2025)
